

Wildcat Legacy Walk

order @ ecwildcatfoundation.org

Buy a brick for your grad

You have the unique opportunity to literally be engraved in the history of EC. Your laser engraved brick will be installed in the walkway leading into Herb Meyer Stadium right before the EC vs Oceanside football game this Fall. These bricks are high quality and will be professionally installed. You will be proud to show your brick off to your grandchildren for years to come.

All proceeds go directly to funding scholarships and grants for EC students and teachers.

EC Wildcat Foundation has given \$200,000 in scholarships and grants so far.
