FACULTY GRANT APPLICATION

The El Camino High School Wildcat Foundation is a non-profit organization committed to raising money for the students and staff of El Camino High School. The Wildcat Foundation has set aside funds for worthwhile projects to enhance the academic, artistic, athletic, and vocational achievement of students. These funds can be used for classroom books, supplies, equipment, field trips, or any other meaningful projects. Funds are available for up to \$500 per school year per faculty member. ECHS faculty members are encouraged to submit one application per year, and each application will be considered, as funds allow. At times, partial funding will be granted if funding is limited. This faculty grant is only available to currently employed faculty of El Camino High School.

Please complete this application, additional pages may be added if desired. Please email completed application to mickeysanders@cox.net. If you have questions or comments, please contact Mickey Sanders at 760-716-6119. Finalists for funding will need to appear before the Wildcat Foundation Board to present their requests and answer questions.
